Established in 1882 as the
Minden Echo & Haliburton Recorder.

Bones Found At Village Those Of Teenage Male

COBOCONK (ENS) — Human bones found near here two weeks ago have been identified as those of a male teen about five-foot-three inches with brown hair of medium length.

Tests conducted last week at the Centre for Forensic Science at Toronto revealed the remains had been there about eight months.

The bones were discovered on the edge of a swamp area in the 1,000-acre Balsam Lake Provincial

Park by a Coboconk area resident who was shooting partridge.

No clothing was found, but a pair of white running shoes were located about 40 feet from the spot where the bones were found.

Provincial Police issued a call last week for anyone having information regarding a missing person fitting the above description to contact any O.P.P. Detachment Office.

(Peterborough Examiner)

Bell Telephone Co. Announce Change In Long Distance Calls

Bell Telephone Company of Canada has bought the Dysart Municipal Telephone System, and began operating it on New Year's Day.

D. B. Mitchell, Bell manager for the area, called attention to one change: calls between Minden and Wilberforce are now Long Distance calls. A three minute station-to-station call costs .30c.

All four exchanges in the Dysart system — Haliburton, Minden, Wilberforce and West Guilford — previously had local calling arrangements with each other.

Customers will still be able to pay their bills in Minden and Haliburton. Information as to locations where payment can be made will be included with the first telephone accounts.

The Dysart system was started in 1922 with about 40 customers. Today, there are more than 1,800

customers and 2,100 telephones in the four exchanges.

R. Glen Hodgson, MLA for Victoria - Haliburton, sat on the Dysart Municipal Telephone Commission from 1953 to 1955, the last seven years as Chairman. He recalls the system, in its early days, sold service in nine townships and had a Long Distance line to Lindsay and Fenelon Falls.

In 1957, he said, the Dysart system amalgamated with the Stanhope and Minden systems under the name Dysart Municipal Telephone System. The Commission membership was increased from three to five at this time.

In 1958, Mr. Hodgson's first year on the Commission, the Dysart system had about three or four employees. Today, there are close to 50. In that same year he says, all service was manual. Now, West Guilford has a dial exchange.

Ontario Attends U.S. Travel Shows

The prime market areas for Ontario tourism are the larger centres of population in the northern and central U.S.A. One of the many promotion programs undertaken by the Ontario Department of Tourism and Information is their participation in Sports and Travel Shows in many of these cities.

The first show of 1968 takes place in Cincinnati, Ohio from January 6 - 14, and Don Goodwin, District Representative of the local office of the Department, will be manning the Ontario booth at this show. Other cities included in the program are Kansas City, Chicago, Detroit, Cleveland, Milwaukee, Minneapolis, Des Moines, Indianapolis and Dallas.

Although Mr. Goodwin will be representing all of Ontario it is expected that he will be providing more specific information on Muskoka and Haliburton because of his familiarity with this area.

Parent Education

The office of the Area Superintendent of Schools — N. E. Ward — Minden, is planning an opportunity for some assistance to parents in gaining a working knowledge and understanding in the curriculum of mathematics as now employed in the elementary schools.

The plans, to date, envisage a two-hour program on the four Monday nights of February, 1968.

It is tentatively planned that by the medium of participation, all members shall have some opportunity to use, and perform such activities as are implied in the new techniques in this modern program of studies. The initial assembly will be held in the Archie Stouffer Public School at Minden on Monday, February 5, 1968 at 7:45 p.m.

This undertaking is available to all parents of the County, and it is hoped that this procedure will assist the parents in understanding the type of education in mathematics, which is being provided for their children.

Your participation will serve to encourage those who are in charge.

Norm Sisco To Be Guest Speaker

The formal dedication of the Sir Sandford Fleming College and the installation of its first President, Mr. David B. Sutherland, will be held on Sunday, January 7, it was announced at the college last week.

The formal academic ceremony will be held at Saint Paul's Presbyterian Church, Murray and Water Streets, in Peterborough between 3 p.m. and 4 p.m. It will be followed by an open house for the general public at the college's Peterborough campus on McDonnell Street.

The Rev. A. J. Calder of Saint Paul's Church will give the invocation at the formal ceremony, and the guest speaker for the occasion will be Mr. Norman A. Sisco, Director of the Applied Arts and Technology Branch of the Ontario Department of Education.

(Continued on Back Page)

Change In CNR Express

Changes in the Canadian National Express operations at Lindsay, effective April 1, have been announced by T. L. Sprackett, Supervisor, Express Department, Belleville. The present system of Express handling which involves the staff of eleven will be consolidated in an enlarged and improved complex at Peterborough.

Mr. Sprackett said it will service an area north and west of the city for some 75 miles. The present Lindsay Express Staff will be given the opportunity of moving to Peterborough in order to handle the increased work load.

Mr. Sprackett stated that there will be no deterioration of Express service as a result of the intended move, and added that deliveries to and from Montreal

are expected to be improved by as much as 24 hours. Billing and other forms of accounting now handled at Lindsay will also be taken over by the enlarged Peterborough operation, supervised by Mr. Les Taylor, Terminal Traffic Manager.

Customers wishing to call Peterborough for specific information will be able to do so by using a no charge Zenith telephone number.

In making the change, similar ones which have been taking place in different centres across the C.N. system, the railway intends to provide the best Express service possible. The new plan, Mr. Sprackett added, will involve the removal of the Station Agent at Haliburton and replacing him with an on hand representative, pickup and delivery service at Haliburton will remain the same.

Ron Stackhouse Playing Good Hockey For Peterborough

Ron Stackhouse of West Guilford, who was the star of the Haliburton Huskies Junior 'D' team for the past two seasons, is now playing with the Peterborough T.P.T. Petes of the O.H.A. Junior 'A' Hockey League.

Stackhouse, with his dazzling hockey ability and scoring know-how, is being missed this season on the Haliburton defence.

Ron started out this season with the Peterborough Junior 'B' club, the Don Byes. He showed up so well there that he was brought up to the 'A' club, and he has been there ever since.

On Sunday afternoon last we had the pleasure of viewing the Junior game on T.V. between the Peterborough Petes and Toronto Marlboros, direct from Maple

Leaf Gardens. How thrilling it was to see Ron Stackhouse, a boy from our own area, score the winning goal that gave the Peterborough team a 3-2 upset victory over Toronto.

In the opening minutes of the third period with the score tied 2-2 Stackhouse took a pass right at the Toronto blue line and with a tremendous slapshot he beat Newton in the Marlboros' net. That was the winner.

We join with the hockey fans of Haliburton County in wishing Ron the best of luck in Junior 'A' competition, and we look forward to the time that he will have the opportunity of trying out with a National Hockey League club.

Ron is the son of Mr. and Mrs. Roy Stackhouse of West Guilford.

Letters To The Editor

Mr. Berkeley Feir, Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Mr. Feir:

May I have some little space in your paper to address those residents of the Township of Anson, Minden and Minden who will be called upon to register their votes on the question of a further outlet for the sale of alcoholic beverages in this area.

Shall we examine a few facts? As is well known to all, the following facilities are available to secure these lubricants: two beverage rooms serving both men and women on our main street, and also a liquor store plus a brewers' warehouse.

Added to these, a special banquet licence can be secured by organizations that are responsible for all the management in that area of procedure at the place of their choice. We do not aim to reduce the present facilities but we do feel the present outlets are sufficient.

As an operator of a cottage resort for some thirty years, I have never had one inquiry or any criticism of our present arrangements. In fact two or three of our tenants were very disgusted at some experiences they had when in the village.

Bobcaygeon Here Saturday Night

The Bobcaygeon Ti-Cats will be the opposition for the Haliburton Huskies this Saturday night at the Haliburton Arena, in a regular scheduled Central Ontario Junior 'D' hockey game.

This game should be a real contest, as these two teams are battling it out for the league leadership. Game time will be at 8:00 p.m.

I have five good reasons for voting 'No' in this case, they are my five grandchildren. I will never vote for any movement to increase the hazards on our highways. There will be some revenue to the operators probably, but it will be at the expense of others. Will you give some serious thought to this matter, and on January 15 vote 'No'.

Thanking you for this space,
Clayton P. Rogers,
Moorefield Acres,
Carnarvon, Ont.

Pee Wees Win Tournament

The Haliburton Pee Wees travelled to Oakwood last Saturday to take part in a Pee Wee hockey tournament at the Oakwood Arena. After winning three straight games the team came home victorious with the Vic Jewel Memorial hockey trophy.

In the first game the Haliburton team, who have been unable to beat Minden so far this year, came up with a 3-0 win, and they were on their way to the trophy.

The second game between Keene and Haliburton was a real close one, as Keene was leading Haliburton 5-4 with only four seconds left in the game. But at this time Haliburton with time running out they got the tying goal. No overtime was played in this tournament, but they held a shoot-off which Haliburton won.

In the third game Haliburton had to go all out to pace out Oakwood by the score of 4-3.

The Haliburton Pee Wees are coached by Grant Rae, and the manager is Bill Burden.

The Haliburton team play their home games every Tuesday evening at the Haliburton Arena at 7 p.m. Why not come out and cheer them on.

Practical Christianity

The year 1968 offers to each and every one of us new and added opportunities. It remains the personal responsibility of the individual to take these opportunities and make the best of them.

I am grateful for the opportunity given me to come into your home through the Haliburton Echo each week in a new column embracing various issues in Religion and Practical Christianity. The purposes of this column are:

- to direct your thoughts and desires toward Jesus Christ - to present the facts of God's Word in a simple, straight-forward manner - to assist you in your spiritual needs - to answer questions that arise pertaining to Religion and Practical Christianity - to give you an opportunity to express your observations and opinions, beliefs and blessings - to create interest and discussion.

We are living in an age that is increasingly anti-Christ, denying His very existence; scoffing, twisting, distorting and often rejecting the authenticity of His Word, the Bible. Such an attitude is of great concern to me as it is to many other ministers in particular, and therefore, has prompted me to avail myself of this opportunity.

Any opinions I express in this column from time to time are not necessarily the opinions of the Echo management. They are derived from a personal conviction based first and foremost on

God's holy and inspired Word.

I would like to see some active participation from you, the reading audience. Please address your letters to: Pastor Glen R. Pitts, Gooderham, Ontario.

Names of participating individuals will remain anonymous and all correspondence will be kept in strict confidence. Thus, I feel, should allow you to speak your mind freely without any fear of counter reaction and/or embarrassment.

The year 1968 is a journey into the unknown. Each step will be a fresh print in the sands of time. In Joshua 3:4 the mystery of the future is suggested, "For ye have not passed this way heretofore." The limitations of human knowledge are most humiliating. We can tell where a comet will appear in a thousand years, but not where we shall be tomorrow. 1968 lies before us as an uncharted course.

This new year can bring new life, new hope, new joy, new happiness, new goals and adventures. The Bible tells us in II Corinthians 5:17 "Therefore if any man be in Christ, he is a new creature, old things are passed away, behold, all things are become new." Start the New Year with an inward assurance that can be yours as you believe on Christ, the Son of God, as your Saviour and Lord. "For as many as received Him to them gave He power to become the Sons of God, even to them that believe

on His name" John 1:12.

THE CLOCK OF LIFE

The clock of life is wound but once,
And no man has the power
To tell just when the hands will stop
At late or early hour.
To lose one's wealth is sad indeed,
To lose one's health is more,
To lose one's soul is such a loss
That no man can restore.

Sincerely,

Glen R. Pitts,
Pastor of Gooderham

Pentecostal Church,
Affiliated with the
Pentecostal Assemblies of Canada.

GOODERHAM

We are pleased to learn that Mrs. Allen Madill has recovered from a series of attacks of the flu.

The friends of Mrs. Mae Martin of Bon Aire Nursing Home, Cannington will be sorry to learn that Mrs. Martin has had an attack of pneumonia. It is our hope that she will have a speedy recovery.

New Year's Eve visitors at the Barrs were Mr. and Mrs. Murray Thurston of Toronto, Nelson Hart of Peterborough, Carron Thurston and Mr. and Mrs. T. W. Smith of Bobcaygeon.

NEWS NOTES

Mr. and Mrs. Howard Thompson and boys of Huntsville and Mrs. Katie Thompson of Oshawa spent Christmas Day with the Eric Thompsons.

Mrs. Katie Thompson is undergoing treatment in the Princess Margaret Hospital, Toronto.

Mr. Charlie McPhail is confined to the house with pneumonia. Mr. and Mrs. Gordon Carrs spent Christmas in Toronto at their daughter's.

Mr. Claude Faders and Mr. Harley Faders held Christmas with Mrs. Fader and Mr. and Mrs. Morrison. Claude and family also spent time with Mr. and Mrs. Earl Redner.

Miss Lottie Hawkins spent a week in our community visiting with Mrs. Fountain, Mrs. Charlie Morrison and Mrs. Ethel Fader.

Mrs. Carrie Morrison is now home after six weeks in Toronto General Hospital.

Mr. Earl Dawson of Toronto, Mr. and Mrs. Russell Hogg of Toronto and Mr. and Mrs. Harold Dawson and children were with Mr. and Mrs. Stewart Dawson for the holiday.

Mr. and Mrs. Neilson Ownes of Toronto called on relatives the weekend before Christmas.

Mr. John Morrison and Mr. and Mrs. Perry Morrison were in Oshawa for Christmas, which was held on Sunday at the home of Mr. and Mrs. Donald McMurtry. Perry and Kay went on to Bancroft on Sunday evening, and with Mr. and Mrs. Turriff, and motored to Picton for Christmas dinner with relatives.

Mr. and Mrs. Cecil Morrison brought Carrie and John Morrison home on Christmas Day.

The Annual Christmas Party for the Morrison families was held at Charlie Morrison's with families who were able to come, Mr. and Mrs. L. C. Morrison, Mr. and Mrs. Howard Morrison, Mr. and Mrs. Perry Morrison of West Guilford, Mr. and Mrs. Don McMurtry of Oshawa, Mrs. Nila Reynolds of Oshawa, Mr. and Mrs. Orval Morrison and Iris of West Guilford, and Mr. and Mrs. John Morrison of Maple Lake. The Arthur Morrisons were unable to attend due to sickness, as Edna is not able to travel so far.

Mr. and Mrs. Karl Barry and family were at Mr. and Mrs. Verle Fader's for New Year's supper.

Mr. and Mrs. Verle Fader prepared a delicious birthday supper and took it into Mrs. Charlie Fader who celebrated her 84th birthday on New Year's Day. Many happy returns of the day, Aunt Minnie.

Sympathy of the community is extended to the Fader family on the death of Mrs. Malcolm McFadden (nee Fleeda Fader).

Chicken Pox is going the rounds, as several families of the district have been confined to home with them.

The Government of Ontario introduces...

H.I.R.B.

Health
Insurance
Registration
Board

If you have either Ontario Medical Services Insurance Plan (OMSIP) or Ontario Hospital Insurance (OHI) you will soon be hearing of the Health Insurance Registration Board (HIRB).

The Health Insurance Registration Board has been set up by the Province to act as an

agency for both OMSIP and Ontario Hospital Insurance.

HIRB will be the central registration office which will handle enrollment, billings and premium collections, and answer inquiries about Ontario's medical or hospital insurance plans.

OMSIP and Ontario Hospital Insurance will continue to provide their present coverage. The only difference is that, from now on, when you see HIRB, you'll know it means the Health Insurance Registration Board is serving you on behalf of Ontario's health insurance plans.

If you have any questions about provincial health insurance enrollment or premiums just write to:

Health Insurance Registration Board
2195 Yonge Street, Toronto 7

GOVERNMENT OF ONTARIO

H.H.S.S. Honour Students' Banquet

The teaching staff of Haliburton Highlands Secondary School again gave a banquet in honour of students who received 75 per cent or better in last June's examinations. The cafeteria staff, under the direction of Mr. Mark Schell, provided a delicious turkey dinner. Members of the Haliburton County District High School Board and the Advisory Vocational Committee were also guests of the teachers.

After the dinner everyone went to the auditorium and there Mr. Dean Kemp and Mr. Paul Chevrier presented the honour students with pins and bars. Mr. Kemp in his talk to the students said: "It is not the marks or the number of books that you have read nor the knowledge that you have acquired in the classroom, but rather the attitude that you undertake in your studies that is important... Attitude consists of interest, assessment of

abilities, persistence, respect for our fellowman regardless of his point-of-view, and most important there is no easy road to success. Work is the price of success and it seems the more we work, the more willing we are to work."

Mr. Keith Hill, Chairman of the High School Board, in his able manner also addressed the students and said that: "Happiness always brings success, but success does not necessarily bring happiness."

The evening concluded with the showing of two National Film Board films entitled "Circle to the Sun" and "Begone Dull Care."

The Scholarship Committee consisted of the following teachers: Chairman - Mr. M. R. Herlihey, Secretary - Mr. K. Jermyn, Treasurer - Mr. P. M. Valentine, Directors - Mr. J. D. Hodgson, Mr. Wm. Munro, Mrs. Anna English.

GOODERHAM NEWS NOTES

Mr. Ron Barr took a group of children to Peterborough to have their eyes examined under the auspices of the C.N.I.B. last week. While there they visited the new Centennial Museum, which was a very interesting tour.

On Christmas Sunday at the United Church a special dedication was observed, and a plaque was placed in the Church by Mr. and Mrs. Robt. Fotheringham in memory of Miss Margaret Rose who made possible the panelling in the Sanctuary. The new drapes on the pulpit and communion table were dedicated to the Glory of God, placed there by the efforts of the ladies of the Church. Mr. Gordon Barr gave an interesting sketch of the Church from its humble beginnings up to the present. Mr. McAllister brought a fine message on the Old Christmas Story.

Mr. and Mrs. Allen Hadley spent Christmas with Mr. and Mrs. Bob Hadley and family at Barrie.

Mr. and Mrs. J. J. Hunter visited Mr. and Mrs. Ivan Hunter of Ottawa.

Miss Elva Whitcomb, Bryan Monahan and Leslie Fotheringham of Toronto spent Christmas at the home of Mr. and Mrs. Bob Fotheringham.

Mrs. T. W. Smith of Bobcaygeon is recuperating from surgery at the home of Mr. and Mrs. Gordon Barr.

The sympathy of the community is extended to Mr. and Mrs. Clifford Stoughton and the Higgins family on the passing of Mrs. Maud Caskey of Haliburton. A beloved Aunt, a faithful member of the Salvation Army.

Mr. and Mrs. John Mackie of St. Catharines have been spending the Christmas holidays at the home of Mr. and Mrs. J. E. Pickens. We are sorry to hear that Mr. and Mrs. Pickens are on the sick list. Miss Vanietta Pickens of Whitby is spending the weekend with her parents.

Mr. and Mrs. G. W. Barr and Ron attended special funeral services held in honour of the late Fred Neimann at the Minden Chapel on Sunday evening.

Mr. and Mrs. Phil Bruneau and family spent the Christmas holiday with their son in California.

NOTICE

TO RATEPAYERS OF ANSON, HINDON & MINDEN

The hearing of the Restricted Area By-Law No. 14-67 of the Municipality of Anson, Hindon & Minden will be held in the Municipal Council Chamber in Minden on Thursday, January 11 at the hour of 11:00 a.m.

GORDON BIBBY, Clerk.

Let's Get **SERIOUS!**

Men Who Think Of Tomorrow Practice Moderation Today

It's Up To You - **VOTE "YES"**

You have an obligation to the children of this community — your children. You are bound to make decisions that often affect their well-being in this community. You want your community to be a place where your children can grow and develop into good citizens of this country.

It has been repeatedly suggested that in casting your ballot in the coming dining lounge and cocktail lounge vote, you must consider carefully the effect upon your children. Prominent medical leaders today point out that the open sale of liquor under the proper types of control has the best possible effect upon our children. They point out that a child used to the open sale of liquor does not consider it a forbidden fruit and therefore does not over-indulge when he becomes older.

UNITED NATIONS HEALTH REPORT

"There is no connection whatsoever between the number or type of liquor outlets and the consumption of alcoholic per capita of any country. An example is Italy where there is every type of outlet and a very large number of them."

"Here the number of alcoholics is among the lowest in the world, proving that outlets do not affect alcohol consumption but rather the temperament and religious stability of the people account for excess drinking in any country."

Our Minden Area Businessmen's Association is anxious to attract more tourists to our area. It would seem expedient to make any service available which would help to make their stay more enjoyable and encourage them to spend more time in our town.

We think your decision will be made on a practical and sensible basis, thinking positively, that moderation should dictate all our behaviour, that the hotel guest should have the privileges he has at home, and that our area here should have the same privileges as other tourist areas.

Let's give business here the opportunity to extend fine hospitality to our summer visitors by voting "YES" at the polls on Monday, January 15th. The Minden Area Businessmen's Association have agreed to cover the expense of the vote on the town's behalf, rather than burden the taxpayers with this expense.

TOURIST - TOURIST - TOURIST

The tourist industry represents 95% of the business in the Haliburton district. The butcher, the baker, the candlestick maker depend on the tremendous tourist business for 70% of their income.

Vote **"YES"** Monday January 15thMinden Area Businessmen's Association Vote **"YES"** Committee

Coming Events

Annual Meeting of Hyland Crest Auxiliary on Tuesday, January 9, 1968 at 8 p.m. in the Craft Room.

The Haliburton School of Fine Arts will be offering a weekly painting and drawing session for interested people at the new Headquarters located in the office of the late Dr. L. H. Carroll on Highland Street in Haliburton. A meeting will be called shortly by Mrs. Carole Finn for those interested in attending these sessions. Please watch for notice of this meeting and plan to attend if you are interested.

Fred Neimann

(Continued from Page One)

Rev. Schroder.
Pallbearers were Delmar Neimann, Ardra Neimann, Ted McGahey, James Varcoe, George Moore and Cloyse Varcoe. Honorary pallbearers were Arnold Roberts, Andrew Curry, Cecil Winter, Bill Ward, Ronald Davies and Dick Schell.

Interment was made in Lutheran Church Cemetery, Maynooth. Surviving the deceased are two daughters and one son, namely Alna 'Lynd' (Mrs. N. Grose) of Haliburton, Clara (Mrs. Varcoe) of Rosneath, and Emil of Haliburton; five grandchildren and three great grandchildren.

We feel the following lines sum up the feelings of the many friends of the deceased:
We walk life's pathway together,
With those who for many a day
Have been our close friends and leaders
Along the onward way.
Then comes the clear call to service
In a higher and better sphere.
And we miss those faithful comrades
Whose friendship we held so dear.
And yet we feel their sweet presence
As we travel along the road,
Which some day will bring us to them
In the paradise of God.
